DANCE, BONFIRE RALLY TOMORROW NITE

Keeney, Millsap, Johnson Elected

Don Keeney, Darrel Millsap, and Barbara Johnson were elected Wednesday to head Hartnell's Sophomore class, Freshman Class and Upsilon Gamma Chi.

Only one run-off election will be held, between Alice Page and Irene Piini for the office of U.G.C. vice-president.

Other officers elected were:

Sophomore class: Bill Casalegno, vice-president; Elizabeth Keller, secretary-treasurer.

Freshman class: Bob Adent, vice-president; Betty Parks, secretary-treasurer; Pat Pollock, freshman representative.

Upsilon Gamma Chi: Mary Ann Sillman, secretary; Deon Dyer, treasurer-reporter.

Men's Club: Dick Sigala, vice-president.

Complete returns were:

Sophomore Class

President —
Don Keeney 63
Pat Eldridge 30
Bill Walker 23

Vice-President —
Bill Casalegno 73
Dolores Fosselman 58

Secretary-Treasurer —
Elizabeth Keller 113

Hartnell's 50-piece band, largest since before the war, will march at the season's first home game with Cal Poly tomorrow night. For names of band members, and the instruments they play, see story on Page 3.

— Photo by Lew Patterson

Budget Committee Appointed

Budget committee for this year was appointed by President George Miljanich at Tuesday's meeting of the student commission.

Committee members, who will meet today at noon, are Miljanich; Evelyn Temmermand, commissioner of finance; Miss Ruth Rothrock; Tom Ford, commissioner of public relations; and Gardner Pond, vice-president.

Tom Ford reported that in six days juke box income has been \$23, of which Hartnell will receive \$11.50.

Bonnie Hearn reported on the election, and Bruce McCallum requested that the athletic department be responsible for choosing emblems for blocks.

Roy Taylor, who is in San Francisco today attending a regional conference of student leaders, was instructed to bring up the matter of charging student body card holders of other schools at athletic events. A letter was received from San Mateo Junior College asking about this, and Taylor was instructed to look into the matter. At Hartnell, card holders from other schools are charged 50 per cent of the general admission price.

Some Freshmen Eligible for Honor Society

Freshmen who are life members in the California Scholarship Federation are automatically eligible for membership in Alpha Gamma Sigma, the college honor society, it was announced today by Dr. Luella Hall, the society's advisor.

Although this honorary membership doesn't entitle these students to vote, it does give them an opportunity to take part in all Alpha Gamma Sigma activities.

(Continued on Page 3)

Rooters' Bus Going to Stockton

Rally committee has announced that they are making arrangements for sending a rooters' bus to Stockton for the game there next Friday night.

To be able to send the bus, there will need to be a sign-up of at least 37 students. The cost of the trip will probably not exceed \$4 round trip.

At Stockton there will be a parade preceding the game. The Hartnell band, under the direction of Mr. Lorell McCann, and an entry of the Hartnell College rally committee will participate in the parade.

Further details concerning the rooters' bus will be announced in the administrative bulletin.

Whiskerino Plans Are Announced

Plans are now in full swing for the big Whiskerino, Field Day, and supper as the big day of the event, October 19, draws near. John Alsop, Men's Club president, has announced that the committee in charge of the field day, under the chairmanship of Thane Olson, has many new plans for the annual clash between the sophomores and the freshmen.

The committee has under consideration, in addition to the traditional mudhole tug-of-war, football and softball games, a new type of battle. If the local officers of the law are agreeable, a wheelbarrow race will be held up West Alisal Street with freshmen and sophomore teams participating.

Judging of the whiskers will be held on October 19 also. The judging will be held in many classifications. Prizes will be awarded to the winners in the various divisions.

The committee in charge of the Men's Club supper, headed by Donald Dye, is hard at work in preparation for the big feed. They have the big job of using 300

(Continued on Page 2)

Big Rally at 6:30 Dance After Game

Tomorrow's the night for the first pregame rally as well as the first home game! Head Yell Leader Dewey Chambers has voiced an appeal for help to make this event really a big success. The huge bonfire rally will be held at 6:30 Saturday night in the field opposite the chemistry lab.

The game tomorrow will be followed by the first football dance of the year. This dance is being sponsored by the rally committee, and the price for admission will be 75 cents for couples and 50 cents stag.

Chambers has asked for help from the students in gathering materials for the rally, and also has said he would need guards to help protect the bonfire pile from any Cal Poly marauders. Students who will be able to help Dewey and his committee should contact him as soon as possible. He wants all students who can bring material for the fire to do so.

All Hartnell rooters who plan to attend the Cal Poly game here tomorrow night are asked to wear white shirts and their rooters' hats if it is at all possible. At the game tomorrow, "Tabby the Cat" will probably be introduced to the Hartnell rooters. As the official school mascot, it is Tabby's duty to be present whenever Hartnell takes the field. A vote of thanks goes to Dean Stamatopoulos for the fine job he did in making Tabby's head, according to Dewey.

Today at 2 p.m. there will be a rally in the men's gym to build up spirit for the game tomorrow night.

So in order to make the first home game a real success, students can do these four things: help gather and protect the bonfire material, turn out for the rallies today and tomorrow night, wear white shirts and rooters' hats to the game with Cal Poly Frosh, and attend the dance following the game.

Attention, Alumni!

Attention, Hartnell College alumni! Students' store will buy 21 usable copies of your "Art of Composition" by Frederic Thomas Blanchard.

Rusch Speaks to Canterbury Club

Canterbury Club held its first supper meeting of the year last night in St. Paul's Parish Hall, with Paul Rusch, formerly a member of Gen. Douglas MacArthur's staff in Japan, as guest speaker.

Following the after-dinner speech, the club held a business meeting with the installation of officers and adoption of the national Canterbury Club constitution heading the agenda.

The newly elected officers installed included Aletha Mathers, president; Douglas Bird, vice-president; Marjorie Mathers, secretary; and Robin Lowry, treasurer and publicity chairman. Mr. B. L. Borough was appointed advisor to the group.

Mr. Rusch, who was a missionary in prewar Japan, gave a survey of his work done before the war, his experiences as an internee and how the work was carried on under wartime conditions, and a brief picture of the postwar field. Following the war, he served as a civilian advisor to General MacArthur.

WHISKERINO . . .

(Continued From Page 1)

pounds of chicken to feed a bunch of hungry people. They plan to have dancing following the meal, but the dance will break up early because of school the next day.

The group has also come up with a new idea. They are constructing a buggy for the Hartnell College victory bell. The buggy, when completed, will enable the bell to be carried to the games. The bell will toll off the points made by the Hartnell College athletic teams in their contests.

CAMPUSOLOGY

By BOB WHITE

Popping down through a hole in the fog in the Flying Club's Piper plane to land at the Salinas airport last week were Mr. G. Darwin Peavy and Paul Lee. They traveled to Palo Alto via the airways to see the Stanford-Michigan game. Paul is a former Flying Club member.

You can come out now, friends. The little men with the butterfly nets last Friday really were hunting for butterflies. They were members of Mr. W. J. Robinson's entomology class.

Serenading the fellas playing touch football last Tuesday was Mr. Lorell McCann, who walked out of the building during a fire drill playing his violin.

Said Mr. McCann: "Moments are very precious to musicians."

This calls to mind something about a fella in Rome who played while the town burned:

Coming back to break more endurance records and making a liar of a certain unnamed column is Les Hiserman who started enrolling last Monday. This will be the beginning of the fifth year for him. The burning question is: Has lack of subjects left to take forced Les into a home economics course yet?

It hath been rumored that Detective Rough (Richard Cimino) in the forthcoming play, "Angel Street," will drink tea instead of the highly potent Scotch whisky which he describes to a lady friend as being an ancient Scotch medicine.

Hartnell fame is spreading to the far corners of the earth! A look at the list of home towns of students here would seem to justify this, anyway. Some of the far-away countries with the strange sounding names are Switzerland, Germany, Japan, China, the Philippines, and Hawaii.

The tail end of a railbird conversation the other day went like this: "First I had pneumonia, then sugar diabetes and osteomyelitis, and then when I got cerebral arterial sclerosis, I really thought I was all finished. Boy! Was that a tough spelling test!"

DINK ODDITIES

Everything from this to that . . . of course, meaning the freshmen and their dinks. You can't miss seeing the odd ways in which they wear them. Let's hope their personalities don't match their hats! Bud Chase closely resembles a

man from Mars, with his duckbill standing up on his head.

Of course, the shy, coy boys like Karl Bettencourt and Elmer Andersen wear their hats practically covering their faces. What are you hiding from, boys?

And the girls . . . regular old-time flappers. Some wear their hats all the way down on their

"Angel Street" Is Progressing

By DON FELIZ

"Angel Street" is going to be a good show! It is the kind of production that naturally appeals to an audience. It has suspense that will make theatergoers' spines tingle with fear. It has real drama that will pull at their heartstrings. It has a plot that should give everybody something to think about.

The cast is making remarkable improvement during their early rehearsals. Among the standout characters at the present time is Don LoPresti, who portrays Mr. Manningham. Gloria Scroggs is also showing vast improvement in her role as Mrs. Manningham.

Richard Cimino is showing a very consistent character in his interpretation of Rough.

Mr. Harold Ulrici, director, states, "This particular production is an excellent one from the standpoint of an acting exercise. So many of the fundamentals of acting are stressed, and several of our students are developing techniques in emotional stability. I felt 'Angel Street' will be one of our better productions."

"Angel Street" will be presented October 27, 28, and 29, in the Little Theater. Student tickets may be purchased in the main office for 50 cents. Adult season tickets may be purchased at Gadsby's Music Company for \$4 each.

Fly Boys Elect New Officers

Frank Armbruster was elected president of the Hartnell College Flying Club at a meeting of the group last Friday.

Other newly elected officers include the following: Jerry Chapman, vice-president; Gayle Shirley, secretary; Pat O'Banner, treasurer; Harold Lunsford, scheduling officer.

Mr. Wilson Finds He Is an Author

"I was surely surprised," Mr. James Wilson, biological science instructor, said, expressing the feeling he had when he found an article he had been senior author of in "Biochemical Journal," a learned English publication.

The article made its appearance in November, 1948, although Mr. Wilson found out about it only last month. "I was looking through 'Biological Abstracts,' when I came across my own name," he explained. "Biological Abstracts" is a type of reader's guide for biological articles.

Mr. Wilson's article was based on research work in graduate school and was entitled, "Reversibility of a Phosphoroclastic Reaction."

heads. Have you seen Karen Herbert or Dorothy Smith? Vera Verheyen was a little different when it came to her bow. She had a huge bow with little H's all over it. Cute!

All the girls have big plaid ribbons. The loudest yet are worn by Norma Brown, Barbara Stebbens, and Marge Mathers.

Rehearsals began this week for the music workshop's modern opera, "The Hither and Thither of Danny Dither," scheduled for December 1 and 2. Reading through their lines are, left to right, Eldon Brewster as The Duke; Miss Vivian Stewart, Don Schrupp as Danny, Dean Stamatopoulos as Lucifer Lucas, Anita Turpin as Daisy; and Jim Wilcox as Droop.

More Alumnae Are Engaged

Two past staff members of The Sentinel, Annabelle Gee and Betty Warren will soon join the marriage ranks. Both announced their engagements last week.

Annabelle, former Wee Gee on the feature page, announced her engagement to William Lee Murray of Hot Springs, Ark., September 27, which was, by the way, her 19th birthday. The groom-to-be was graduated from Fremont High School in Los Angeles. Annabelle is a Salinas girl. She graduated from Salinas high and attended Hartnell last year. They plan an early fall wedding.

Past Sentinel editor, Betty Warren, announced her engagement to Norman Lee at the recent farewell party given for Keith Andreasen before he left for Texas. Norman was graduated from Salinas high school back in '42. The wedding plans for the couple are indefinite.

Hartnell Program Prepared for Air

Mr. Harold Ulrici's radio drama class will go on the air with two programs soon. Slated for the airwaves is a revised version of last year's student show, "College Is the Life," and a new half hour dramatic series featuring 21 classical dramas.

"College Is the Life" will expand to a half hour spot over KDON, and will again be student written and student produced. A new phase of the program will cover the universities of the west. Also this year two girls will be responsible for the coverage of social activities. Still retained are the sports news, interviews, and human interest features. Supervised by Mr. Ulrici, the show will be student directed by Dick Rohrbacker.

With a tentative starting date sometime next week, the dramatic series will be broadcast over station KSBW. It is hoped that both shows will get late afternoon spots.

HONOR SOCIETY

(Continued From Page 1)

pha Gamma Sigma activities for one semester, including Homecoming Day.

Ski Club Plans Annual Dance

Plans were discussed and committees named for a Ski Club dance October 28, when the organization met last Thursday for the first time this semester.

Committee chairman, who will be assisted by all club members, are: Naida Fisher, music; Barbara Ching, food; Gloria Scroggs, decorations; Frank Salacia, cleanup; Robin Lowry and Dolores Fosselman, publicity.

Dues will be used to buy ski equipment, according to President Don Mignola, as will a surplus of \$61.62 left from last year's treasury.

Tom Mills, a freshman student, was named vice-president of the club. Other officers are Marilyn Hendrix, secretary; and Doug Bird, treasurer.

Director Pleased With Hartnell Band

"Very seldom can you take more than 50 members of a band who haven't played together, put them together, and have a band such as ours in such a short time," says Mr. Lorell McCann, director of the Hartnell band.

This is the largest band Hartnell has had since the beginning of the war.

"Not that they weren't good, but I just didn't have the material to work with," says Mr. McCann.

He now has the material, and hopes to have the co-operation of the students.

Will March Tomorrow

Tomorrow night the band will march at the Panthers' first home contest with the Cal Poly Frosh. The special fanfare which Mr. McCann has written will be played prior to the band's entrance at the beginning of the game. During halftime the group will play Hartnell's Alma Mater song assisted, he hopes, by the songsters of Hartnell. At the conclusion of the game he requests all to remain to sing the school hymn.

The band marches, with drum major Larry Dimmick at the lead, almost every day. The drum majorettes are: head majorette, Pat Lewis; Jolene Brogden, Carolyn McQuellan, Juledra Lewis, and Dolores Piffero.

More Than 50 Members

Leading the left column of the band in march are Don Camp, Paul Carson, Donald Dye, Douglas Wiley, Val Varis, Don Johnson, and

Richard Binsacca. In the right column are Richard Thurman, Jack Penfield, Glenn Short, Bill Horsley, Leon West, Roy Harder, and Joe Rusconi. They play a big part in keeping the formations of the band exact.

Playing the drums are Don Johnson, Joe Rusconi, Richard Binsacca, Ray Harder, Ted Maddock, John Nast, and Eldon Brewster. Joe Rusconi plays a big Scotch drum.

Laverne Seeman plays the cymbals. Playing the trumpets are Dick Thurman, Don Camp, Irene Piini, Jack Penfield, Paul Bryant, Dorothy Beeman, Andy Ausonio, Paul Carson, Robert Walker, and Violet Olivete.

The stars of the clarinet section are Bill Horsley, Aileen Feldt, Robert Cancellieri, Douglas Wiley, Betty Wyatt. Playing the baritones are Jim Kimball, Dick Bennett, and Norman Brownell.

Three sousaphone players are Richard Goodrich, Donald Dye, and Glenn Short.

The French horn section includes Beverly and Margaret Lowry.

The trombone section includes Bruce Vaughn, Carl Bartlebaugh, Ronald Brainard, David Haennelt. The saxophone section includes John Alsop, Leon West, Val Baris, Terry Waki, Warren Katsos, and Jerry Cooper.

The lone piccolo player is Delma Scolari, and Marilee Hubbard takes honors at the bells.

Kensinger Heads College Art Club

In their election of officers last Tuesday, the Art Club chose Bob Kensinger to head their group this year. Other officers elected were Clo Castro, vice-president; Gayle Caskey, secretary; and Kenneth Smythe, treasurer.

The club has planned to have an exhibit at the coming dramatic production, "Angel Street," featuring photographs and set designs from the play. The exhibit will be held during all three nights of the play, October 27, 28, and 29.

Stockton Clash On Local Station

Hartnell College sport fans who are unable to make the trip to Stockton next week will have an opportunity to listen to a play-by-play description over KSNI-FM, Salinas.

Standard radios will not pick up the game, however. Only sets equipped with FM can be tuned in to the Stockton-Hartnell battle next Friday night.

KDON will air the San Francisco City College tilt Armistice Day and the final grid game with Monterey Peninsula College. Modesto will broadcast the Pirates-Panther set-to over KBEE-FM. Locally it will be aired over KSNI-FM.

Noon Dancing

Like to dance? Folk and social dancing is now being held in the men's gym from 12:10 to 12:55 on Tuesdays and Thursdays.

Need Irish Cop With Slight Brogue

There is still a speaking part open in "The Hither and Thither of Danny Dither" to someone with a good physique who can "brogue a little," according to Miss Vivian Stewart. Anyone interested in the part of the Irish cop, Officer O'Shaughnessy, is asked to contact Miss Stewart in room 16.

WALKER OUT FOR TWO GAMES

Bill Walker, Panther halfback and the team's most consistent ground gaining back, has been informed by his physician that he will have to rest the knee that was injured in the Bakersfield game for at least three weeks.

Bill averaged six yards per carry against the Renegades last week, and he was just as effective for Hartnell in the opener at Pasadena.

Walker's place in the lineup will be filled by Bill Cooke, who performed extremely well in Walker's spot in the fourth period against Bakersfield.

RENEGADES FALL IN ROUGH TUSSLE; PANTHERS WIN 12-6

**Hartnell Line Was
Weakened by Injury**

With a well-balanced passing and running attack, a hard-charging and fast line, and a near-perfect pass defense, Hartnell's potent Panthers fought to a 12-6 win over the Bakersfield College Renegades at Bakersfield last Friday night.

However, the Panthers managed also to compile nine penalties for a total of 95 yards, about nine or ten injuries of varied importance, and four fumbles. The injuries will undoubtedly greatly hamper the team tomorrow night since they are all at key positions.

Loren Green left the game at the end of the first period after aggravating an old knee injury. Bill Walker was forced to leave the game at the beginning of the third period with a knee injury that has since turned out to be serious. Ed Dyle and Joe Oliveira were both forced to leave the game at the end of the third period. Ed's ankle had been reinjured and Joe twisted his knee while belting a Renegade halfback out of bounds.

Other ailments, that have since proved minor, were Nails Rutherford's knee, Ernie Piini's bruised thigh muscle, and Bob Burton's black eyes.

The Panthers were outgained on the ground, 193 yards to 161. However, the Panthers passed for 110 yards and held the Renegades passing to 12 yards and one completion in 16 attempts. Bob Swan, Hartnell's quarterback, completed eight passes in 17 attempts. Swan also had two completions called back.

Hartnell used the two platoon system on the Renegades and the reserves, who were the defensive unit, performed very well. The touchdown that they did allow the Renegades came after two penalties had practically given the Renegades the score.

Bill Walker, until he was injured, was the best back on the field. He averaged 6 yards per carry in 11 attempts. Fred Mantufel, Jim Miyasoto, and Bill Cooke played good offensive football for Hartnell.

Games Employment

Men interested in employment at the football games should contact Mr. Joaquin Market in the

FIRST HOME GAME - - CAL POLY TOMORROW

**Key to Captain Panther Gridders;
Colts Have Edge; Hartnell Line Injured**

Tomorrow evening in Salinas high stadium, the Panthers will face the California Polytechnic freshman eleven. The Panthers will take the field at 8 o'clock for the kickoff of what promises to be a rough, tough, and bruising affair.

After losing one game and winning another, the Hartnell Panthers are out to prove that last week's win was not a fluke. They have been working hard all week after an easy Monday, and are in excellent spirits for the coming encounter.

Bill Walker, halfback, and Loren Green, guard, will be replaced by Bill Cooke and Pete Marinovich. Last week, against Bakersfield, Cooke had an average of 11.5 yards per try, and twice broke away for beautiful runs. Marinovich is a

rugged lineman which is just what Coach Ab Wilson likes.

In the past the Cal Poly Colts have been a breather, but they have been building up their teams. In the fullback position alone there are about six all-league boys. The Colts' frosh roster is best in history as 58 players turned out for the team.

The coach of the Colts is Bob

Panthers Rank High in National Grid Poll

As a service to the student body and to provide The Panther Sentinel with nationwide scores of junior college teams, The Panther Sentinel has subscribed to the Williamson Football Rating Table.

The rating sheets usually arrive on Tuesdays. After being looked over by the Sentinel sports staff they will be placed on the main bulletin board.

Last year's Hartnell team placed among the top dozen junior college teams in the country, according to the Williamson ratings. This year, with one defeat, Hartnell is among the top 25 teams. John Muir, by defeating Hartnell, earned a sixth place position.

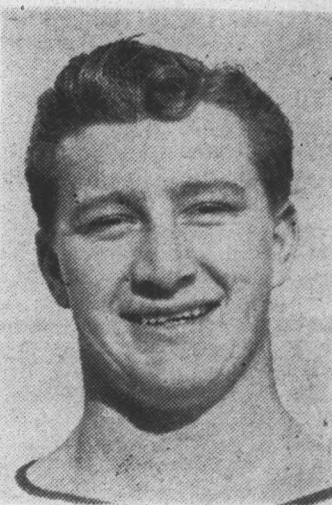

Rankings of the leading junior college teams this week was:

1. Little Rock, Arkansas; 2. Compton; 3. Lamar, Texas; 4. Pearl River, Iowa; 5. Kilgore, Texas; 6. John Muir College; 7. Tyler, Texas; 8. Magnolia A. and M., Mississippi; 9. Boise, Idaho; 10. San Diego J.C.

Compton has been the leading western junior college team for several years. Last year, Compton played Duluth, Minnesota, in the Little Rose Bowl, defeating the eastern team, 49-6.

Williamson picks Hartnell over Cal Poly, Modesto over Monterey, San Mateo over Stockton, Vallejo over Sacramento, C.C.S.F. over Menlo, Compton over Muir, and Bakersfield over El Camino.

main office as soon as possible. "This is a paying proposition," says Mr. Market.

BILL KEY
Game Captain

Steele. La Reata for 1942 shows Bob Steele's picture as captain of the Hartnell football team. He is well satisfied with his turnout as some of the top players in the state showed up.

Last week Poly lost to San Francisco State, 26-0, but according to Coach Ed Adams, who scouted the game for the Panthers, the San Francisco team had all of the breaks. They capitalized on a blocked punt, a fumble, and made the other two on long passes. The Colts showed strength when they completely stopped the running attack of San Francisco several times. Leon Jackson, a negro lineman, was a giant on defense.

Poly had a terrific runner by the name of Hubert Beazley, another negro. They had an excellent passing combination of Howard Decker or Joe Sankene to Oliver Hinkle, an end.

The Colts employ a T-formation, the same as Hartnell, and have hard-hitting backs. A terror at fullback is Stan DeSilva, all-North Bay League and member of the United States all-star high school squad that played in Hawaii. Poly's line has a slight edge over Hartnell, while the backfield is about the same in weight.

Game captain for Hartnell this week will be Bill Key. Key, who weighs 200 pounds, was in Bakersfield's backfield so often that the referee was tempted to call a penalty for five men in the backfield.
